Web Application Development – Assignment1

Due by Wednesday 2/9

(Total 10 points) In this assignment, you will need to create one HTML page with CSS

- You can find a screen shot (assignment1.png) posted on BlackBoard for how your page should be look like as we discussed in class.
- You must submit `assignment1.html` on **BlackBoard**. **Do NOT upload to github.io** since all source code is visible to everyone. Only after I finish grading, may you upload it there.
- Your CSS must be **embedded** inside `assignment1.html`
- You must include video file with the name of `background.mp4` so that I can test your page with my video file. **Do NOT submit .mp4 file**.
